Dear Sir,

The North Carolina Association for Hospital Central Service Professionals (NCAHCSP) will hold its annual seminar on April 17, 18, and 19, 2019, at the Hilton Myrtle Beach Resort in Myrtle Beach, South Carolina. The NCAHCSP is a non-profit organization. This meeting will include an exhibit feature on April 18, directed toward technology, products, supplies and equipment used in routine patient care, either directly prior to or after assembly by Central Service. NCAHCSP has created tiers for sponsorship to assist in the expense of this seminar. We are introducing these tiers for the annual meeting in 2019. The implementation of the tiers will be available to all vendors and make sponsorship less confusing. Please see the attached form for the tiers, benefits included in each tier, cost of each tier, and availabilities. Certain tiers have limited spaces available. Please contact Stacie Patterson at 704-902-8092 or email spatterson.ncahcsp@gmail.com with any questions. The exhibit will be open 2 hours, April 18th, 1:30 – 3:30 p.m. with no educational presentation conducted during that time. Donations are greatly appreciated and gratefully acknowledged.

In addition to the tiers, NCAHCSP will provide opportunity for vendors to bring their mobile on-site repair vans for a fee of \$100.00 in addition to one of the tiers. This will allow companies who would like to participate to have their on-site repair vans available for attendees to observe mobile capabilities and equipment. The mobile instrument repair vans will be parked outside of the Hilton during the hours of the vendor exhibit and visited by attendees during the vendor exhibit. We have had companies request this option and this will be available at the 2019 Annual meeting as a trial.

For more information please contact Stacie Patterson at 704-902-8092 or by email at
